Change of Buildings
Coffee Break & Networking Opportunities

10:20 -
11:20

Session Series C

Extended Talk Session 1	Extended Talk Session 2	Extended Talk Session 3	Extended Talk Session 4	Early-Career Researchers Programme
----------------------------	----------------------------	----------------------------	----------------------------	--

11:20 -
11:35

Change of rooms

11:35 -
12:35

Session Series D

Extended Talk Session 1	Extended Talk Session 2	Compact Talk Session 1	Compact Talk Session 2	Early-Career Researchers Programme
----------------------------	----------------------------	---------------------------	---------------------------	--

12:35 -
13:30

Lunch & Networking Opportunities

13:30 -
14:30

Aula
Keynote 3
Prof. Dr. Gabriele Kaiser (University of Hamburg)

14:30 -
14:45

Change of rooms

14:45 -
15:45

Session Series E

Extended Talk Session 1	Extended Talk Session 2	Extended Talk Session 3	Working Group 2	Early-Career Researchers Programme
----------------------------	----------------------------	----------------------------	--------------------	--

15:45 -
16:15

Coffee & Activity

16:15 -
17:15

**Music
Laudation**

18:00

Conference Dinner

Please note that the programme is a draft and may be subject to change

Programme Day III

Friday, 11 June 2027

09:00 - 16:00: **ICSE Escape Room**
Book a 1-hour session (max. 4 participants)

09:00 -
10:00

Session Series F

-------------------	-------------------	-----------------------	-----------------------	-----------------

10:00 –
10:15

Change of Rooms

10:15 -
11:15

Keynote 4 Prof. Dr. Knut Neumann (IPN Kiel)

11:15 -
12:15

Poster Session & Networking Coffee

12:15 -
13:15

Session Series G

Extended Talk Session 1	Extended Talk Session 2	Junior Talk Session 1	Junior Talk Session 2	Thematic Project Pitches
-------------------------	-------------------------	-----------------------	-----------------------	--------------------------

13:15 -
13:30

Farewell

13:30 -
14:30

Lunch

- **Compact Talk:** 10min Talk + 10min Discussion. Open to researchers at all career stages.
- **Extended Talk:** 20min Talk + 10min Discussion. Open to researchers at all career stages.
- **Junior Talk:** 10min Talk + 10min Discussion. Intended for early-career researchers, doctoral researchers and scholars in the early stages of their careers, including researchers who have recently completed their PhD - providing additional time for in-depth discussion and constructive feedback. Part of the ECR Programme.
- **Early-Career Researchers Programme:** Dedicated sessions for early-career researchers focusing on research methods, skill development, and professional exchange (incl. Junior Talk sessions).
- **Poster Session:** Poster sessions offer an interactive forum for presenting and discussing research projects, innovative ideas, and work in progress related to STEM education.

Engagement Formats: Research in Action Workshops, Project Spotlights and Pitches and Working Groups – **not open for application**. If you are interested, please contact educating-the-educators@ph-freiburg.de

Please note that the programme is a draft and may be subject to change
